The Guide contains seven primary sections:

- ***Elements of a Proposal***, provides a brief description of what a proposal contains and examples for each section.
- ***Researching Foundations***, provides a step-by-step guide on how to conduct foundation research.
- ***Research Websites***, provides information on various websites that can assist you in your fundraising endeavors.
- ***Glossary of Terms***, provides definitions of key words found in proposal guidelines, elements of a proposal and other important terms.
- ***Foundation and Corporate Grantmakers Funding Indigenous People***, contains funding organizations that directly fund Indigenous organizations and projects worldwide.
- ***International Foundation and Corporate Grantmakers***, includes philanthropic institutions that fund in various countries and regions of the world.
- ***Index of Regions***, contains an index of the various regions and countries and the page number within the Guide where information on the funder can be found for a particular country or region of the world.
